BRIERCREST

CO 711 Addictions Counselling Spring 2019

Professor: Margaret Clarke Email: mclarke@briercrest.ca

Phone: 306-756-3304

Course Dates: June 24-28, 2019

3 Credit Hours

COURSE DESCRIPTION

This course is designed to introduce the participant to various conceptualizations of addiction theory. Understanding addictive behaviour and the impact and effect of addictions on the family system are considered. Basic assessment, intervention, and treatment techniques in working with individuals and families are explored.

COURSE INTEGRATION

This course will equip students to reflect on personal and professional attitudes and approaches related to addictions and better prepare them to serve those with addiction problems in a counselling ministry.

COURSE TEXTS

- DiClemente, Carlo C. *Addiction and Change: How Addictions Develop and Addicted People Recover.* New York, NY: The Guilford Press, 2006. **(Pages 22-43 only: available through Canvas)**
- Mikkonen, Juha, & Raphael, Dennis. *Social Determinants of Health: THE CANADIAN FACTS.*http://www.thecanadianfacts.org/The Canadian Facts.pdf 2010
- Miller, William R., Forcehimes, Alyssa A., & Zweben, Allen. *Treating Addiction: A Guide for Professionals*. New Yok, NY: The Guilford Press, 2011.
- Miller, William R., & Rollnick, Stephen. *Motivational Interviewing: Helping People Change.* 3rd ed., New York, NY: The Guilford Press, 2012.
- Poole, Nancy, & Greaves, Lorraine. *Becoming Trauma Informed*. Canada: Centre for Addiction and Mental Health, 2012. **(Pages xi 36 only: available through Canvas)**

Students are expected to refer to Briercrest Seminary's Format and Style Guides and Guide for Writing Research Papers, available as PDF documents here: https://www.mybriercrest.ca/seminary/documents/.

These texts are available in store and online at the Briercrest Bookstore: http://briercrest.ca/bookstore.

Students are responsible for course materials and communication on Canvas (https://briercrest.instructure.com; cf. https://briercrest.ca/online/canvas) and their myBriercrest.ca email account.

COURSE OUTCOMES

Students will be encouraged to embrace a therapeutic stance towards addiction counselling that is client-centered, collaborative, trauma-informed and empathetic.

Students will understand substance use and problematic behaviours on a continuum of harm and recognize varying levels of involvement and opportunities to intervene through prevention, early intervention or treatment.

Students will gain an understanding of addictions as a chronic disorder and implications for treatment.

Students will be exposed to evidence-informed treatment options for addictions and will gain some practical experience with Motivational Interviewing.

June 27-28	Overview of Treatments	Treating Addiction: A Guide for Professionals, p. 145-241

ASSIGNMENTS

Pre-Course Assignments:

Prepare and upload to Canvas a 5-minute Powerpoint presentation with voice recordings on one of the following:

Caffeine, Tobacco, Alcohol, Cannabis, Cocaine/Crack, GHB, Ketamine, Rohypnol, Ecstasy, Inhalants, Methamphetamine, Opioids (Heroine, Fentanyl, T3's), Benzodiazepines, LSD, PCP, Magic Mushrooms, Gambling, Pornography, Gaming.

Presentation should focus on facts from reliable websites listed in the bibliography and be focused on what the substance/process is, effects, tolerance/dependence and withdrawal rather than personal stories or anecdote. Please list references at the end of the presentation.

Also, on Canvas, watch <u>every</u> student presentation and make online comments on at least 3 other student presentations. In class, there will be time designated for Q & A fielded by the professor and person(s) who focused on a given substance/process.

Due Date for submission of presentation: June 17, 2019

Due Date for watching presentations and comments: June 24, 2019

Value: 10%

Read *Social Determinants of Health: THE CANADIAN FACTS.* Write a 1000-word paper that reflects on addiction as a health issue in light of Canada's Social Determinants of Health and how these determinants can be related to the fallen-ness of humanity. Reference other resources and biblical texts.

Due Date: June 24, 2019, submitted to Canvas

Value: 10%

Read *Motivational Interviewing: Helping People Change* in its entirety and write an essay of 1000 words on new insights and knowledge gained about this approach and how it fits with addiction treatment, specifically the dynamic of ambivalence and how it impacts the change process.

Due Date: June 24, 2019, submitted to Canvas

Value: 10%

Post-Course Assignments:

Read *Treating Addiction: A Guide for Professionals* in its entirety and write an essay of 2000 words on new insights and knowledge gained about the nature of addiction and best approaches for treatment, specifically steps you can take to embody a client-centered foundation discussed in chapter 9 and which of the addiction treatment options reviewed in Part III are of most interest to you.

Due Date: August 23, 2019, submitted to Canvas

Value: 20%

Write a 3500-word research paper on *one* of the following evidence-based treatments for addictions, including (a) specific assessment/evaluation issues, (b) specific treatment processes and strategies, (c) research related to the approach, and (d) specific issues for diverse populations:

Twelve Step Harm Reduction Seeking Safety

Community Reinforcement Approach/And Family Training

Due Date: August 23, 2019, submitted to Canvas

Value: 50%

SEMINARY CALENDAR

Students are expected to be aware of the policies that govern course work at Briercrest Seminary, all of which are published in the current Seminary Calendar: https://www.briercrestseminary.ca/academics/calendar/.

Attendance Policy

Students are expected to attend 100% of each modular for which they register. If this is impossible, arrangements must be made with the course professor. A maximum of 1 full day of class can be foregone. Students should request to withdraw from the course or move the course to an audit if additional time is missed.

Course Schedules

Classes begin at 9:00 a.m. on Monday morning and run a minimum of 30 hours through the course of the week. The schedule is determined by the course professor. Students should check the syllabus for specifics. When the syllabus does not state class times, students are responsible to check with the professor prior to making travel plans.

Assignment Submission

All assignments must be submitted no later than eight weeks after the last day of class as stated in the syllabus. The correct due dates will be clearly noted in the syllabus and each faculty member will

state in their syllabus how assignments should be submitted. Assignments submitted within a week after the due date will be accepted with a 10 per cent penalty. For additional information refer to the late assignment policy or the extension policy in the <u>academic calendar</u>.

Return of Graded Assignments

Professors are expected to return graded assignments within six weeks of the due date. If they fail to do so, students may submit an inquiry to the <u>Seminary</u>. If an extension is granted, the professor is no longer obligated to meet this deadline.

Academic Honesty

Students are accountable to perform each task according to principles of academic honesty. Please refer to pages 24-25 in the <u>academic calendar</u> for more information.

Academic Accommodations

Any student with a disability, injury, or illness who may need academic accommodations should discuss them with the course instructor after contacting the Student Success Centre in person (located in the Library), by telephone (1-306-756-3230) or by email (studentsuccesscentre@briercrest.ca).
